Yallambee Stud prove time and time again that Victoria's Macedon Ranges is one of Australia's most prolific regions for breeding high quality premier Yearlings. And it's nice to have mother nature on your side.... reliable rainfall and virtually drought proof - no wonder they call it God's Own country.

Yallambee Stud successfully launched the stud career of 'top ten' stallion Testa Rossa. Now the glowing reports flowing in are that exciting young Redoute's Choice stallion God's Own is set to follow in Testa Rossa's footsteps.

'God's Own second crop Yearlings at all major Australian Yearling Sales in 2010.'
